

SAC CITOYEN

PRODUITS TEXTILES DEPUIS 1906

SAC CITOYEN by TENTHOREY

TENTHOREY

Our company is one of the leaders in the profession, and is one of the initiators of the renewal of textiles. Located in Eloyes in the Vosges Mountains, the company employs 46 people. It has a fleet of 50 looms, produces 400,000 meters of fabric per month, sells more than 2,500,000 bags and generates a turnover of 10 million euros

By combining its more than a century of experience (since 1906) and a high-tech production unit, Tenthorey offers you quality products in the following areas:

- Weaving and sale of unbleached or finished fabrics
- Manufacturing and sale of ready-made products

In 2006, the brand developed the « Sac Citoyen » brand to make and sell: advertising bags, shopping bags, pouches for bulk food, bread bags, bottle bags, and cases.

SAC CITOYEN

A real alternative to the plastic bag, the cotton bag is a success in the era of ecological, healthy (healthy lifestyle) and MADE IN FRANCE trends

We find it in all types of companies ranging from mass distribution, grocery stores, and companies advocating the use of natural materials as well as events and cultural events.

SAC CITOYEN by TENTHOREY offers you its range of products made exclusively of natural materials (cotton, organic cotton and linen) with two manufacturing alternatives (made in Tunisia or Albania or made in France).

The brand is distinguished by its mastery of the value chain from yarn production to the commercialization of its personalized products.

SAC CITOYEN offers you quality products that meet your requirements

Pouch

Product Description:

The pouch is a practical little bag in which you can carry your market products or your daily food shopping. It will also find its place in your fridge and in your kitchen drawers. Find it at market gardeners and sellers of products (food or not) individually.

With its different formats, it is the ideal container for your seeds, cereals, dried fruits and vegetables as well as fresh fruits and vegetables. It is washable, reusable, eco-friendly and biodegradable. It complements the almost single-use kraft bags.

You can also use it to put your jewelry, or small accessories.

Pouch size:

(See the grids with the different available sizes of pouches)

Its composition: 100% cotton or 100% organic cotton.

Surface marking: to be seen depending on the model.

Pocket

**Product Description:**

Small zipped case in which you can store various everyday objects. Without compartments or divisions, it will allow you to carry your accessories without them falling to the bottom of your bag.

With the kits, carry:

- Your make-up for the most coquettish
- Your pencils and pens for the more studios
- ...and why not your toothbrush (sometimes you are served a good Munster at the cafeteria!)

Pocket dimensions:

(See the price lists with the different formats of kits offered)

Its composition: 100% cotton.

Marking surface: to be seen depending on the model.
